Dehradun, Uttarakhand.

EDUCATION

- **Graphic Era University** — Dehradun (UK), India
  - *Bachelor of Technology in Computer Science;* ***CGPA: 8.01****/10* — *2021-2025*
- **Woodland Academy** — Gorakhpur (UP), India
  - *12th Standard;* ***Score: 87%*** — *2020-2021*

PROJECTS

- **Portfolio Website (Link)** *(August 2023 – September 2023)*
  - Designed a personal website using HTML, CSS, JavaScript to present my skills and qualifications.
- **Tin Dog Website (Link)** *(September 2022 - October 2022)*
  - Developed a responsive platform named "Tin Dog" connecting dog enthusiasts.
  - Utilized modern web technologies including Bootstrap for styling and layout.
- **Weather App (Link)** *(April 2023 - May 2023)*
  - Created a user-friendly "Weather App" providing real-time forecasts for cities.
  - Utilized HTML, CSS, and JavaScript to display current weather details.
- **Bathing BAPE Website (Link)** *(February 2023 - March 2023)*
  - Designed "Bathing BAPE" to showcase fictional meme coin information.
  - Utilized HTML, CSS, JavaScript, Bootstrap, and external icon libraries for enhanced presentation.
- **Font Detection App (Link)** *(December 2022 - January 2023)*
  - Developed a "Font Detection App" using Streamlit, TensorFlow, and OpenCV.
  - Enabled users to predict fonts from uploaded text images with font detection and confidence display.
- **Video Anomaly Detection (Link)** *(March 2023 – April 2023)*
  - Showcased expertise with TensorFlow and pre-trained DenseNet121.
  - Built a deep learning model for multi-class classification of visual classes like 'Abuse,' 'Arrest,' 'Arson,' etc.

SKILLS

- Languages: C, C++, Python, Java
- HTML, CSS, JavaScript.
- Academic Courses: DSA, DAA
- Machine Learning Tools (Streamlit, TensorFlow, OpenCV, Pandas, Matplotlib)

ACHIEVEMENT

- Research Paper, **IEEE INDISCON-2023**, Title: Sentimental Analysis of Movie Review Based on Naive Bayes and Random Forest Technique.

POSITION OF RESPONSIBILITY

- **NSS volunteer** Actively participating in National Service Scheme (**NSS**) activities since 2021 in Graphic Era University.
